Dedication

We, the Senior Class, dedicate our Yearbook to Mr. White, our Superintendent; to him we wish to extend our sincerest appreciation for his help and support in publishing this Annual. Particularly the last two years it has been exceedingly difficult, due primarily to lack of funds to publish an Annual. But through the cooperation and interest of Mr. White, the traditional Yearbook of Bryan High School has continued without interruption.

THE BEGINNING

It is the fifth of September, 1922. Promptly at eight o'clock, the tolling of the old Park school bell warns fastidious mothers to hurry with their young six year olds toward the Park and Lincoln schools. Possibly to this modern, progressive class of '34, it seems a long way back to your childhood school days. So this is more or less a Kaleidoscopic view of your school days. We wonder if Miss L. Barstow, who faced her first year of teaching, felt as strange and uneasy as we did. Remember those colored pegs we worked with and the plates of letters? Can't you just visualize little Robert Gardner and Ed Eaton employed thus. As the Kaleidoscope moves about we glimpse Dorothy Beamer, Anna Bishop, Harriet Jayne Lytle, Juanita Moog, ever so small, industriously engaged in making words from their boxes of letters. And also there is Hubert Kelly—remember the good basket ball player on 'Pelier's team. However, who would have thought it then, or I'm sure he wouldn't have left Bryan when in the fourth grade.

Looking over Miss Ella Hester's charges down at Park, among others we spot Gladys Isaac, Ned Hitt, and Eugene Bowles—remember his freckles? And oh yes—who is that small boy looking like a miniature Lord Fauntleroy with those curls, pongee waist and black velvet suit—who could it be but Denny Harmon, simply devastating even at that early age!

STANLEY ARNETT

Do you know that one day Robert Foust brought a string of hot dogs to school and would trail them out on the floor when the teacher wasn't looking—quite amusin' to all the young folk, too!! And what tumults of noise would issue forth when the teacher went out for a minute.

It was quite difficult for the Park School pupils to accustom themselves to the strict discipline of Lincoln school. "Now, children, keep in step—don't hurry—stop whispering—stay on the sidewalk—left, right—etc., etc.!" And how aggravating it was not to be allowed to rampage over the lawn when it was a bit dampish—"for you know the grass would be worn off!"

Who is that little girl coming to school with a rather "shorn" head. All the girls are clustering around her. Why its Mable Ruth McCord and she has had her curls cut! "Oh, why did you do it!" gasp once envious girls. Over across the lawn wander Irene Leininger and Bernice Gunn with their heads together—more than likely discussing their respective S. P.'s (Secret passions—as if you didn't know by this time!) Remember Britton Neiswender?—he moved away about this time.

Indeed, we are coming up in the world. Coming over to Junior High, very exciting times are at hand. Seven-A was quite a class. Exciting things took place in the left back corner of Miss Barstow's room. Pencil and eraser wars—

even truces of peace. A certain senior girl still is in possession of one of those truces.

Everything progressed quite normally until the writing class period. Miss Barstow with her back to the class carefully transcribing ovals, etc., on the board—then the fun began. Who could forget those long looks of exasperation she directed at us.

Then there was that newcomer—petite Naomi Starr, who came from West Unity. Everyone called her "twinkle."

Could you ever forget the garlic episode. All the boys ate garlic and ground it on the floor. What a sweet essence issued forth on that beautiful spring day. And did the boys have fun doing it—so what? Well, they each made up about twelve hours outside of school time.

I think it is quite impossible to forget those long English assignments Miss Fulton would calmly deliver upon us poor helpless students. Ah, yes—Beautiful Ohio—Buff did know his Ohio history and was quite determined that we should, too. Miss McKinney even taught us the song in music class.

About that time it was quite thrilling to have your name co-starred with some one else in the Hi-Life. Recall how embarrassing it was never knowing if we should join in high school songs and yells in the auditorium.

We also had an operetta, *Circus Days*, with Naomi Starr, Vivian Allion, Ed-

ward Eaton, Bill Stine, Gwen Woodward having the stellar roles. Then graduating time! Our Commencement program was, of course, one of the best! There was a play, musical productions and readings. Most of the girls received watches for graduation.

Our entrance into high school, of course, is the climax of our school career in Bryan. Many students entered high school from the country and widened our acquaintances. Responsibilities and activities increased as we joined the different clubs and student activities. In the past four years this class of '34 has displayed their versatility in all the departments of the high school.

Because our experiences in high school exist in a very realistic state to most of us and because the primary function of this yearbook is to furnish each senior with lasting memorium of high school life, will you please peruse this book further for high school experiences. We hope this series of verbal sketches has helped to refresh memories of your school days and to give a "portrait in miniature" of the twelve year "Cavalcade Procession" of the class of '34.

Sincerely yours,

Betty Fieldner '34

THE SENIOR CLASS

Strange—the quirks of fate—three years ago I wrote the Freshman write-up for the Annual. Among other things I stated, with all the certainty of youth, that the seniors must surely envy us freshmen—we had three years of adventure before us, they had only a memory behind them. I did not know, then, just how true those words were. We have come to a parting of the ways—each to travel his own road through life. But what a great number of things, sad and happy, we can look back upon in our high school days, all those things, great and small, which have meant so much to us.

Remember—

Remember—your first reception? nice and warm. Girls, do you remember that "girls gang night" did not begin until the next year? Will you ever forget how hard it was to become accustomed to the pranks devised for your benefit by the well meaning upper classmen? Remember—the freshman assembly program, the bold, bad villain, who twirled her mustaches; and Gondolena, the woman of mystery; and the sheriff, who carried her blood-hound under her arm; and the terrible duel fought with a spoon and a fork? Remember—how your voice quavered when you tried out for glee club? Remember—how, in your freshman year, B. H.

REMINISCENCE

When persons begin to reminisce it is said to be a sure sign that they are growing old, but what senior passes from high school who does not think back over his four years (or more) in the aforesaid institution with its teachers and other inmates? The seniors, however, are the only ones who think that they are old enough to reminisce.

The year we were so awfully green, 1930, Bryan Hi had a football team that won nine straight games, a perfect season. The only athletic season that ever compared to that was the base ball teams of 1906 and 1907, on which teams some of our fathers played; (they lost all their games). That year they had the first freshman-sophomore party, much more important than the Freshman Reception. Denny Harmon and several more or less graceful swains danced their first on "The Waltz You Saved For Me," and the girls probably all wished they hadn't. 'Twas a demonstration of extreme grace, no doubt. The basket ball and track teams weren't bad that year, either; both teams won in the league with the track team cleaning up in the district meet.

The next step in the advancement of the seniors to their present pomp was from greenness to silliness as sophomores. The foot ball team won seven out of

ten games that fall. Not a bad record. The track team again came through to save the athletic year with victories in both league and district meets. During that year the sophomores had charge of the decoration for the Freshman Reception, and do you remember how the lights went out as the freshly initiated frosh started to pile upon the floor. Was it dark and did it take a long time to fix? Did you know that there was a golf team that year and three of the six were from that same sophomore class? There were also three sophomores on that tennis team. Almost forgot—Denny Heald started going with girls that fall.

Then came another year and foot ball. The team wasn't so outstanding, but Chuck Weaver certainly represented us as juniors on the team. We had five letter men on that team. Basket ball—not exactly successful season, but three of the eight squad members were juniors. Then track, and B. H. S. was again upheld by winning of the district meet for the third consecutive time and again the juniors led the way with Dick Thomas. He placed in three events—first in the high hurdles and second in the pole vault and high jump. Heald running the four forty, and he and Gardner in the mile relay all helped. The Junior-Senior Reception is always a different experience. Remember "Holy" Young's speech, LaVera Koby's solo, and Helen Essi's dance. They were good—all of 'em.

Then the senior year with the last Freshman Reception, then the same old football season (just so-so) but the now seniors had a majority of the regular berths, and then basket ball with five of the nine varsity from the senior class. The carnival this year was a big success. The seniors were the motive power, as usual, and they did a good job. Then track and the seniors had more than a third of the squad doing the work from their ranks. The senior play with "Jones" Eaton doing the heavy work. And before I forget—the members of this class have carried heavy parts in the past two Dramatic plays. Then Junior-Senior, the last high school social affair that this bunch of now thoroughly conceited seniors will ever attend. All seniors can do now is reminisce.

THE JUNIOR CLASS

As Junior students we are privileged to look back on three years of high school life and training. Most of us reminisce with pleasure while some may have remorseful regrets. We realize that it would have been possible to have striven with more courage. Nevertheless, we are proud of our efforts as Juniors in Bryan Hi-School.

Since we entered this school we have progressed—sometimes slowly, other times more rapidly. We have diminished in number but we have not slackened our pace nor grown less courageous. If we have been daunted, it has been a result of only temporary setbacks which we have encountered and have had to overcome.

It is with renewed hope that we view our Senior year in this school. We sincerely believe that we can continue the remainder of our school education with encouraging optimism.

As school students of today we are preparing ourselves for our vocations of the future. We do not believe that our education will be complete with the end of our high school career. No, we are thinking further ahead. We work today with

our eyes on the future, knowing that if we are successful in our daily school activities, we shall be more able to cope with the trying problems of life itself.

The aim o' our education is clear cut. It is not our chief desire to amass knowledge. We do not come to school primarily to pass our examinations. We come to fulfill our daily tasks. Those tasks include, mainly, learning with a purpose. After all, we realize that our education is not an end in itself. It is only a means to an end. Success in life will be our objective; it will be our goal. We know that our education alone is not that goal, but only a means of reaching it.

In the future we shall be happy if we are truly successful. In our long search for the fundamentals of life, our preparation will prove its worth. We shall be able to meet the real situations that arise before us as a result of having ably mastered our school duties. In short, we shall apply what we have learned through schooling to the practical problems of our everyday existence. We shall be deriving then the true benefits from a worth while education. Our learning will not have been obtained in vain, for we shall be successful; we know that we shall find happiness. Therefore, we believe that if success is measured in terms of true education, it results in the greatest happiness for all.

THE SOPHOMORE CLASS

Jack Fox.....*President*

A great class was the Sophomore Class of 1933 and 34. Why not? It can well be proud of the number of honor roll students. It had its share of pupils taking part in the debate and in the musical numbers.

In sports, on the foot ball squad we had the shortest little boy, who may some day become our foot ball hero. In basket ball we had a sophomore in the first five of the varsity and the second team was partly represented by sophomores. In in-

terclass basket ball the girls did not win all of their games but generally made it a close game for their opponents. The boys made up for the girls' loss by coming out on top. Ah, yes! I almost forgot to mention that we had two sophomores who were our cheer leaders. What would we have done without our cheering section at foot ball and basket ball games?

In the past year, the Girl Reserves as well as the Hi-Y and Dramatic Club took many sophomores into their organizations. In the coming two years the sophomores will be a *bigger* and *better* class for Bryan High and in turn it will be a class of which our school can well be proud. *Helen Harman '36*

given by various members of the class, which concluded the entertainment. A good time was had by all.

In foot ball altho several members of the class tried out, only one, John Partee, received an honorary letter. However we have some good material and hope to do better in the future.

We had better luck in the Triangular contest, Robert Dierks, John Partee and Margaret Maines receiving letters.

In basket ball we had one letter man, Kenneth Miller.

Track season is not over yet but we hope to have some letter men in that as several members of the class are trying out.

STUDENT COUNCIL

Gertrude McKarns.....	<i>President</i>
David Howey.....	<i>Vice President</i>
Dorothy Beamer.....	<i>Sec. and Treas.</i>
Mr. Rufus Seales.....	<i>Faculty Advisor</i>

The purpose of the Student Council is to cooperate with the faculty in solving problems of the school. Through this club we have student government in Bryan High School.

Some duties of the Council are: To arrange for the school election in the fall, to apportion to the various organizations the sale of candy at the athletic events, to take care of the school parties, to plan the assembly programs, to decorate for the games, and to help other clubs financially. This year the council had charge of the candy sale in the halls.

There are fourteen members in the club, apportioned among the classes as follows: Seniors, Gertrude McKarns, Dorothy Beamer, Bernice Gunn, Lawrence Bard, and Edward Eaton; juniors, David Howey, Serge Hummon, Betty Spangler and Helen Struble; sophomores, Robert Baker, Arnold Mignery, and Norman Hummon; freshmen, Dorothy Wiland and Ford Cullis.

We, the Seniors of '34, wish the Student Council much success in the coming years. We sincerely hope that this organization will grow in usefulness to the students of Bryan High School.

—*Gertrude McKarns '34*

ANNUAL STAFF

At the end of last year, the general situation was such that no provision was made for this year's Annual Staff. Consequently, it was necessary for those particularly interested in the work to get enough others interested to form a staff. This was done by Nancy Roe and Edward Eaton principally, with the help of our able advisor, Mr. Wagner, who fitted in the places on the Staff by the end of November. Because of these delays in getting started, we found that obtaining enough suitable dates for dances, carnival, and the like was rather difficult, and this was our next problem. Through the winter the advance sale was over three hundred copies, these sales, together with the frequent dances and the carnival which earned nearly \$120, have provided the money necessary for the publication. Also during the winter the problem of our greatest single expense was solved; viz., to whom would we entrust the engraving account. Then the "dummy" was made and space divided upon for the various pictures, articles, writeups, etc. Thus the 1934 Annual was created, and we hope that interest in next year's staff will be great enough and shown early enough to prevent the handicap of late organization next fall. To our successors we, of the 1934 Staff wish the best of luck.

—*Robert Gardner, '34*

HI-LIFE STAFF

Our high school paper has been published for eight consecutive years. It has rendered invaluable service as a high school news commentator. It has been permeated with the spirit of our school. It, in turn, has promoted a general feeling of fellowship among our students.

During this year our Hi-Life has been especially successful. Circulation of the paper has greatly increased. The students have been generally pleased with the paper's regular and original features. The Hi-Life has shown careful work and accurate management. The unprecedented success of the paper has been accomplished by a general cooperation of all those interested in its success. The

student body must be congratulated and thanked for its notable work in making the Hi-Life possible. Particular recognition is due those students who have been directly connected with the paper. The Hi-Life advisor, Mr. Haugher, must be congratulated for his careful aid and supervision. To the business men of Bryan, for their financial support, the high school must express its appreciation.

It has been evident that students of our high school have felt the need for a scholastic paper. They have expressed their appreciation by their response. They realize that a school paper promotes a good will as no other single unit can; that no high school is complete without its news circulator. Thus, the students of Bryan High School have mutually labored together for a successful Hi-Life.

MASK AND SANDAL

Due to a slight variation in the usual program, the Dramatic Club experienced an unusually successful and enjoyable year.

Aside from presenting its annual three-act play, The Thirteenth Chair, the club decided to present four one-act plays during the course of the year. One of these plays was given at a special "open night" meeting to which all members of high school as well as all outsiders were invited, and one was given for the Women's Federation program at Christmas time. These enlarged programs gave each member a chance to participate and at the same time develop talent for the major plays.

After admitting new members from all four classes in high school, the club now has approximately thirty-six members attending its bi-monthly meetings.

—*Virginia Whitney*

HI-Y

It seems that this year the Hi-Y's plugging for better moral and religious spirit have shown some very excellent results. Our club has received less destructive criticism this year than ever before. Our members have shown a keener interest in the real spirit of Hi-Y: clean speech, clean scholarship, clean sportsmanship, and clean living. Our meetings this year have varied. We have had talks, discussions, bible studies, round tables, and socials. The members have cooperated in such a manner as to make for a better Hi-Y season. We as a club, have tried to cooperate with the rest of the school so as to create a better school spirit and enthusiasm. We feel that the standards of our Hi-Y club are being raised year by year and that our club is becoming a more and more religious and moral influence for our school.

—*Earl Carlsten '34*

GIRL RESERVES

Plans were laid for a program for the year for the threefold development of each girl as a G. R. member. Perhaps we have fallen short of our expectations for the functions of the club but on a whole the progress has been at least average. As a special feature one meeting a month was set aside for the study of some foreign country in order that we might acquire a better understanding of the world of today.

Two joint meetings were held with the Hi-Y, one in the form of a banquet, as a result of the G. R., Hi-Y Hunt, and one at Easter time when Rev. Carlsten addressed us.

In January two meetings were given over to Round Table discussion of the members. The nut sister idea was sustained the year and the sisters proved themselves to be valuable assets on many occasions.

Among those who addressed the club were Miss Dean, Mr. Cullis, Miss Wenzeler, and Mrs. Cartwright.

The Girl Reserve members acted as big sisters to the Freshman girls at the beginning of school, had charge of the sale of tags for the Women's Federation,

and sponsored a drive for food for needy families both at Thanksgiving time and Christmas; thus displaying their willingness to help others.

A number of Sophomores were admitted to the club in the spring by an impressive candle light ceremonial. The annual district G. R. Convention was held in Bryan this year in an all day meeting.

Our hope is that we this year, have carried on the activities of the organization in keeping with its high standards, and that from these each girl may have carried away something to help her live a more wholesome, unselfish life in the future.

—Bernice Gunn, '34

FUTURE FARMERS OF AMERICA

The purpose of the F. F. A. organization is to promote vocational education in agriculture in the public schools; to create more interest in the intelligent choice of farming as an occupation; to create and develop a love for country life; to encourage cooperative effort; to strengthen the confidence of the farm boy in himself and his work.

Individual attainments constitute the basis for advancement from rank to rank in an F. F. A. Chapter. Class work of high order, successful handling of project work, evidence of thrift, and a practical demonstration of leadership among one's fellowmen are the passports to the higher degrees of the organization.

The accomplishments of the club have been varied. This year we have helped to organize colt clubs in the county. Community welfare has been promoted through Grange and Institute programs; and also through a pest hunt, which was conducted with great success.

The long-time program of work adopted by the Chapter is as follows; promotion of social and recreational activities in the community; dairy improvement by testing, feeding, weeding, breeding, and marketing; soil improvement through growing of legumes, use of fertilizer limestone and manures.

Maxine Lackey.....	<i>Program Chairman</i>

Twin Arts has just finished one of the most successful years it has had. Through our program chairman, Maxine Lackey, we have secured many enjoyable meetings. We have learned what it takes to make a success of oneself in the business world. To us shorthand and typing is a profession, not just a means of making a living. Upon one occasion Mr. Spangler spoke to us, giving his ideas of what a well-trained stenographer should be. The last meeting was marked by a potluck given by the juniors in honor of the seniors.

A professor of anatomy is lured to a prize-fight, and the police make a raid on the "mill." The professor escapes to his home, followed by Jones, a traveling salesman, who sells hymn-books when he can, and playing-cards when he cannot. The police are on his trail, so Jones disguises himself by putting on a Bishop's garb, and many amusing complications ensue. This situation is complicated by the presence of an escaped lunatic and the professor's brother, a bishop from Australia. But by the excellent lying of Jones all the complications are righted.

FOOTBALL ♦ 1934

Season's Results

COACH LATHROP

*September 22**Bryan 7—Edon 0*

The opening game of the season showed many weak spots in the Bryan football team and the Bears were truly lucky to win, scoring just before the final gun. The many weaknesses may be attributed partly to a short pre-season practice and inexperienced material.

*September 29**Bryan 53—Farmer 0*

Very weak opposition proved no match for the Bears and they breezed through to an easy win, using many of the subs.

*October 15**Bryan 0—Wausaucon 27*

The first league game found Bryan victim of 27-0 loss. Concentrating on stopping Kinney, the Redbirds' flashy half, the team left holes in the center of the line through which Leininger gained consistently. Bryan did not have a chance to flash its offense.

*October 20**Bryan 26—Hicksville 7*

Smarting under the defeat of the week before the Bears upset a strong Hicksville team which had been given an even chance of winning. Moog and Impton, at wingbacks, gained yardage at will and proved that Bryan had an offense when they were able to get the ball. Denny Harman suffered a broken collar bone in this game. Tough luck, Denny.

*October 27**Bryan 0—Liberty Center 0*

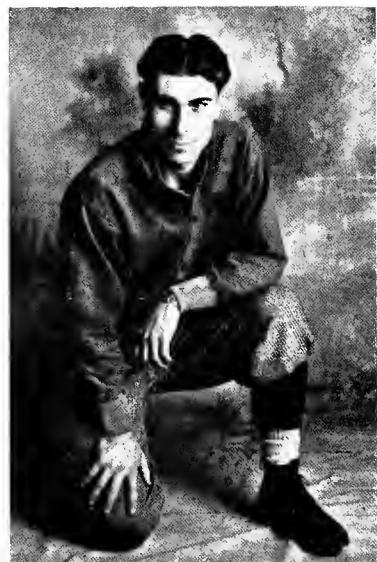

Entering their second league game the underdogs, Bryan, emerged with a tie but not before pushing their way to the five yard line and gaining consistently throughout. Liberty's sand dunes proved a handicap, as they do to every league team and with solid footing there might have been a different result.

*November 3**Bryan 6—Montpelier 0*

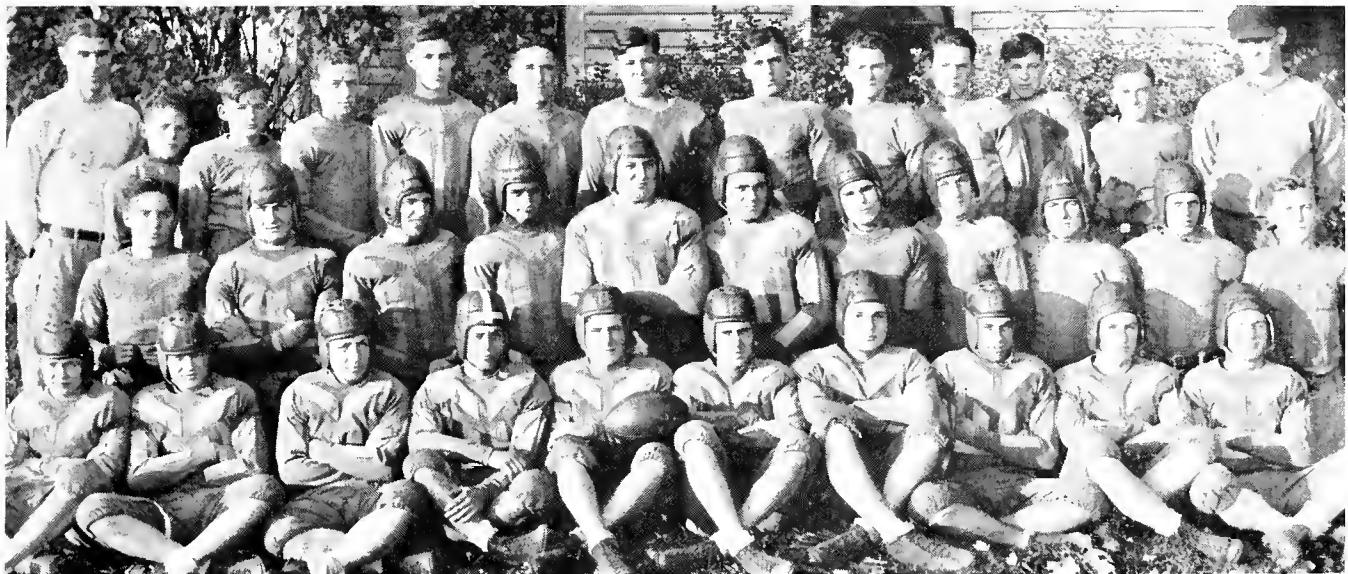

Doped to beat their ancient rivals by a sizeable score the Bears had a bad day on offense and after much fumbling and poor blocking, Impton managed to skirt left end on a double reverse in the fourth quarter, scoring standing up. Robinson's long runs put the Bears in position for this scoring attempt.

*November 11**Bryan 0—Defiance 25*

In the first muddy game of the year Bryan could not stop the slipping and sliding Bulldogs from Defiance and dropped another league game. With the score 13 to 0 against them, the Bears weakened and the Defiance team scored twice in quick succession to end the game.

COACH GEER

First Row—Geer, Westerman, Carroll, Leinard, Tracy, Fulton, Schartz, Carlin, Daniels, Lawrence, Mitchell, Brown, Lathrop

Second Row—Thomas Dierks, Mick, Gleason, Mosher, Shackley, Partee, Young, Myers, Shape, Willett

Third Row—Fox, Robinson, Impton, Brownwell, Weaver, Captain Heald, Newcomer, Moog, Bard, Weaver

November 17

Bryan 33—Montpelier 6

The Bears answered Montpelier's challenge to a return game and traveling to 'Pelier, took all resistance out of them, trouncing them well. There was never any question about the result after the Bears scored their first marks. The scoring was divided among the four backs.

November 30

Bryan 6—Napoleon 25

In the annual Turkey Day game with the Naps, the Bears suffered their final league defeat of the season. Harrison's plugging was the deciding factor in Napoleon's win. Bryan could not cope with the power attack although they did score in the first quarter, marching the length of the field in a brilliant bit of generalship. Robinson suffered an injured knee in this game.

FOOTBALL LETTER MEN

Dennis Harmon—Right End

Senior

His football career cut short by a broken collar bone, Denny continued helping by means of vocal encouragement if not by physical means. His play was good all around.

Charles Weaver—Right End—Left Guard—Captain

Senior

Chuck's steady, plugging type of play called for action every minute and he was not the sort to dodge the issue.

Rex Mosher—Right Tackle

Senior

His bulk proving an asset, Mosher made himself felt both on offense and on defense. He was indeed a handy man.

William Brownwell—*Right Guard*

Senior

Bill's first year of varsity football was one that he may be proud of. Because of his smallness he was able to move where others could not tread.

Francis Shape—*Center*

Senior

Accuracy in the pivot position is desirable on every football team. Shape combined this with an aggressiveness that made him hard to stop.

Russell Weaver—*Left Guard—Quarterback*

Senior

Another small but mighty man proved Ruck. His ability to block and tackle gave one the impression that Ruck knew his football.

Denver Heald—*Left End*

Senior

Denny's second year of varsity ball was topped off when he was chosen as All League Second Team End. He has turned many a sweeping end run into the waiting tackles and tackled many a punt receiver the instant he got the ball.

Lawrence Bard—*Fullback*

Senior

A man of few words he belied his vocabulary on the gridiron. Hard-hitting, determined, and cool do best as descriptive adjectives.

Arthur Newcomer—*Left Tackle*

Junior

Art was another hard driving tackle and the force of his charge was felt by many an opposing lineman. He has another year in which to participate in football.

Paul Moog—*Halfback*

Junior

He gained ground when it was needed and his open-field running and drive were of the highest sort.

Richard Robinson—*Quarterback*

Junior

Dick called plays as he saw them, gave no quarter and asked none. He was a mighty fine signal caller.

Walter Impton—*Halfback*

Sophomore

Fast hard-driving, and shifty describes the type of ball that Walt displayed during 1933. This was his first year of varsity ball.

Bernard Mick—*Right End*

Sophomore

Being handicapped by lack of weight, Mick took some hard knocks, but not without giving some in return. His ability to snag passes will prove an asset in later years.

Ted Gleason—*Center*

Sophomore

Ted's work at the pivot was good and will improve with the experience gained in the games played last season.

MAJOR HONORARY

Jack Fox—*Quarterback*

Junior

Jack showed that he has undiscovered ability along the signal calling line. Let's hope he gets his chance soon.

Rhinehold Dierks—*Right Tackle*

Junior

Rhiney has the fight and determination it takes to go places and he still has a chance to reach the top.

John Partee—*Left Guard*

Freshman

Being the only Freshman to win a letter, we know that he has a future ahead of him in B. H. S. athletics.

Hobart Young—*Center—End*

Senior

Hoby, though not quite varsity material, managed to prove himself an opponent to be feared.

Don Fulton—*Fullback*

Senior

Coming here from Toledo, Don had not the chance to make good in his single remaining year. He must have credit, though, for sticking it out.

The light weight team, which played several games under the eye of Asst. Coach Geer, were as follows: M. Thomas, Willett, Westerman, Carroll, Leinard Tracy, Schartzner, Carlin, Daniels, Lawrence, Michaels, Browns and Myers. Here is our future varsity material in the making. Keep your eye on them.

There are certain things which must be done where football is played such as: lining the field, taking care of equipment, etc. All this was performed quite efficiently by Leinard and Baker, our 1933 managers.

At this point the team takes the opportunity of thanking Art Lathrop and Lloyd Geer, coaches, for the patience and time they have given that we might have a football team.

Fulton (Mgr.) Miller, Harman, Young, Sprow, Heald
Moog, Kerr, Stine, Fox

BASKETBALL ♦ 1933-34

Harman—*Senior*

Center

Denny's selection on the all-league team was justly deserved, his work being highly commendable. Though bothered by an injury received in foot ball he became the center of the attack and will be greatly missed next year.

Heald—*Senior*

Forward

Heald, varsity guard for two years, obtained a forward berth on the team this season. His smooth playing, his uncanny one handed shot and his speed helped to make up our successful team this past season.

Jack Fox—*Junior*

Guard

Clever ball handling and fast breaking are necessary for good basket ball. Jack combined these two qualities nicely and made his work at guard of the highest type.

Paul Moog—*Junior*

Guard

Paul's presence brought forth confidence in his team-mates. His floor work being good he was able to work under the basket for many close shots. His playing made his position hard to fill.

Kenneth Miller—*Freshman*

Forward

Kenny, though he lacked experience, picked up knowledge quickly and flashed outstanding form in several games. With two more years of basket ball, Kenny should develop into a very fine player.

Brannan, Phillips, Lathrop, Willett, Leinard (Mgr.), Fisher, Westerman
Impton, Bliss, Harding, Mick

HONORARY LETTERS

Bill Stine—*Senior*

Forward

Bill's style of play gave him drive for the basket and his defensive work was of a high type. Bill made his presence felt by a word of encouragement and a determined air.

Bob Sprow—*Junior*

Guard

His height being an asset and his ball handling an advantage, Bob showed with every game and next year should be awarded a regular berth.

BASKETBALL RESERVES

Brannan—*Junior*

Forward

With a dead eye for the basket and a clever floor game Brannan was a hard man to stop.

Bliss—*Junior*

Guard

Grover played a cool, deliberate type of game and was the steady influence of the team.

Willett—*Sophomore*

Forward

Ed was one of the fastest boys on the floor and this asset enabled him to drive in for many buckets.

Mick—*Junior*

Forward

Mick was a smooth player with plenty of height which helped him many times.

Impton—*Sophomore*

Guard

With his ability to work the ball in on offense, Walt was a valuable man and hard to replace.

Harding—*Freshman*

Center

Lyle's height helped him under the basket and on the tip-off. Here is future varsity material.

Westerman—*Sophomore* Forward

Dick was fast and shifty enabling him to score buckets.

Phillips—*Sophomore* Center

Bob looked good in many games and his scoring ability was appreciated.

Fisher—*Sophomore* Guard

A rugged guard with plenty of drive and endurance.

The following did not receive letters but helped make up the first nine players:

Kerr—*Senior* Forward

There was no more ambitious candidate for the team than Kenny. As, like others, he found success in trying and will be remembered for this.

Young—*Senior* Center

This being Barney's first year he failed to make the varsity. However he took rapidly to the game and improved greatly. We only regret that he hasn't another year.

INTER-CLASS BASKETBALL

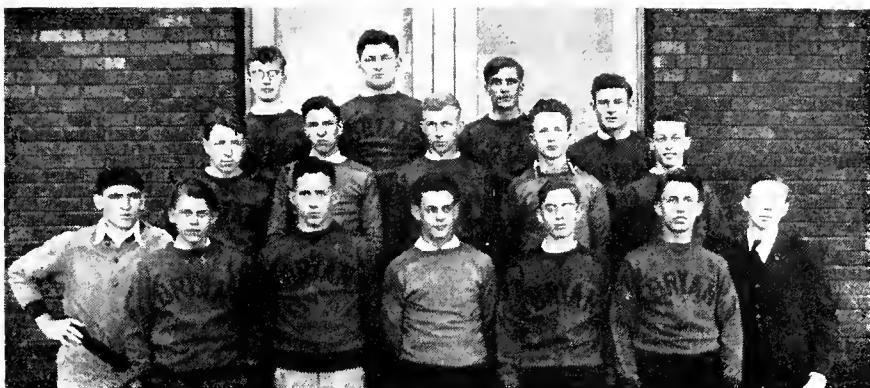

This year girls varsity basket ball was replaced by inter-class. Each class had try-outs and later eliminated to eight players. Only five players were needed to make up a team. The games were played so that the two forwards and the two guards could use one-half of the floor. Jump center could use all the floor. Thus making the games faster and more interesting.

Each team had a captain which acted as the coach of her team. The teams practiced on Monday nights and on Friday nights, two games were played. Mrs. Parker refereed all of the games.

A league was formed which consisted of three rounds. The Seniors winning all the games were awarded first place, in winning this they were given letters. After the league was over a tournament was played, the Seniors also winning this and were awarded a trophy.

At the close of the season a party was held at the gym. The letters were given out and also the trophy to the Senior class.

1933-34 TRACK

The Bears traveled to Toledo for an early indoor meet in the University field house. Here in competition with nearly 20 other Class B schools they placed third. L. Gotschall placed first in the mile for the best individual performance. This early meet gave indications of a rather well balanced track team.

TRIANGULAR MEET—*Bryan, Wauseon, Napoleon*

With the aid of Kinney, their stellar dash and hurdle man, Wauseon made a clear sweep of the triangular meet, winning by nearly twenty points. Dick Thomas in winning the high jump and pole vault and placing second in the high hurdles was outstanding for Bryan.

LEAGUE MEET

Bryan 72½; Wauseon 77½; Napoleon 40; Defiance, Liberty Center and Montpelier

With the addition of three more teams, competition was made closer and although Wauseon carried off the honor again it was by a much smaller margin. With the sprint relay team winning and Thomas repeating in the pole vault and high jump along with better performance throughout, the Bears gave Wauseon a run for their money.

DISTRICT MEET AT TOLEDO SCOTT

For the third consecutive year Bryan won the District Meet with 61 points, being trailed by Delta with 48 and Lyons with 38. Mosher took first in the discus, Thomas in the high hurdles, K. Bowen in the 220 yd. low hurdles and the half mile sprint relay team won a first. It seems the thinclads of Bryan Hi reached a climax in this, their final meet of the year.
